Not every adult product is strictly designed for pleasure — sometimes, they’re designed for ... well, the novelty factor. Or, they’re meant to generate a “wow” from customers. Whether it’s “creature cocks,” fantasy dildos, masturbators and/or wearables, the products found in our “Cabinet of Curiosities” are the subject of our June issue’s Special Focus. (Note: This issue will be displayed at the July 2024 ANME.)
